## CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES OF WILD FAUNA AND FLORA

### CITES APPENDIX

I

Species which are threatened with extinction. Trade in these is rarely allowed, and only under exceptional circumstances.

### CITES APPENDIX

II

Species which may become threatened if trade is not controlled. It also includes whole group of species which look like those listed in Appendix I and II.

The international trade in CITES-listed species is subject to specific regulation. Check with your CITES Management Authority for details. For domestic trade, please check your national legislation.
